## Bulk mail at a glance

Australia Post offers a variety of services for customers sending larger volumes of mail.
Usually, if you are sending at least 300 articles at a time then you may qualify for the lower prices available. The postage rate depends on the size of your articles, and the options you choose. This guide will help you choose the best service options for your mailing needs.
Once you have chosen a bulk mail service, you will need to obtain a service guide with all the information you need on conditions, preparing and lodging your articles.
